THE REPLY TO YOUR INQUIRY WILL BE FOUND IN THE ITEM(S) CHECKED BELOW. IF YOU FIND IT NECESSARY TO WRITE US AGAIN CONCERNING THIS SUBJECT, PLEASE RETURN ALL PAPERS TO THIS CENTER.

- ☐ Consolidated rosters of an organization for the entire period of its existence are not available. Monthly rosters of commissioned and enlisted personnel which contain names and service numbers but do not show home addresses are generally available. These rosters can be furnished to veterans and to governmental agencies on a limited basis, for which a fee may be chargeable.
- ☐ If you will let us know what monthly rosters you need, every effort will be made to comply with your request.
- ☐ The records contain no address for the person named above later than the one shown in your letter.
- ☐ The address previously furnished you for the person named above is the latest one of record.
- ☐ There is a possibility that any address furnished is obsolete as the latest address in most personnel records on file here is the one furnished at time of discharge.
- ☐ We are forwarding your communication to the person named above at the last address of record. We have no way of knowing whether this address is still current or whether the letter will be delivered.
- ☒ The records needed to answer your request are not in our files. If such records were on file in this center on July 12, 1973, they were apparently lost in the fire here on that date.
- ☐ The following name(s) and address(es) is/are furnished as requested.
- ☐ We are forwarding your communication regarding \_\_\_\_\_ to the last address of record. We have no way of knowing whether this address is current or whether the letter will be delivered.
